

„RACING IS LIFE.
EVERYTHING BEFORE
OR AFTER IS
JUST WAITING“

Steve McQueen

Freely adapted from Steve McQueen „Racing is life. Everything before or after is just waiting“ ends with us „WE LOVE CLASSICS“ does not end on the road, but continues on the racetrack.

With our ultra-light, customised racing wheels made from magnesium, we support you in continuing to bring the legendary racing and formula cars from the golden days of legends such as Jackie Stewart, Jack Brabham, Juan Manuel Fangio, Sterling Moss, Graham Hill, Jim Clark, Jacky Ickx, Jochen Rindt, Emerson Fittipaldi, Niki Lauda and many more to peak performance.

The former British brand Berazzi, known for manufacturing wheels for historic and classic racing cars of the classic racing cars of the 60s and 70s, is now part of Maxilite and enriches the racing product range.

Berazzi racing wheels are not only characterised by well-known designs from the past. They are also finely customised, as individual as the respective racing car and developed for top performance.

Their design gives us complete flexibility in adapting them to the individual requirements of each car in order to cover a wide range of bolt circles and widths as cost-effectively as possible.

Cast from high-quality magnesium, X-ray tested, stress-relieved and finished in our own workshop in England, Berazzi racing wheels are particularly lightweight and therefore perfect for racing, especially for formula and other racing cars from manufacturers such as Chevron, Lola, March and Brabham.

RACING WHEELS MADE
FROM MAGNESIUM
